- **Interior Health:** [Health Connections](#) and volunteer driver programs. These services aim to connect residents with their communities and provide access to social and recreational activities.
- **Fraser Health:** Many care homes have their own buses (call and find out who they contract with):
- **Fellburn Care Centre:** Has a bus specifically for external outings, with recreation staff working to ensure residents can participate based on their functional level.
- **Good Samaritan Delta View Care Centre:** Provides a contracted bus for regular outings like lunch and shopping trips.
- **Zion Park Manor:** Has a bus for outings to restaurants, plays, movies, and other events, in addition to other recreational programs.
- **Laurel Place Care Centre:** Offers social recreation and activity programming, including outings on their shared wheelchair-accessible bus.
- **Fraser Hope Lodge:** Weekly bus outings are provided for meals or shopping
- **Northern Health:** Typically relies on volunteer support for outings like the [Pines in Burns Lake](#)
